VOLUNTEERS

Your club relies on volunteers to run successfully - without volunteers there would be no club!

You don't need to be a sailor to volunteer: If you can cook a snag on a barbie, swing a spanner, push a broom, drive a car or use a computer then you are qualified! The Club appreciates all of the efforts of our volunteers, big or small.

In appreciation of our volunteers, the Cairns Yacht Club can help them to secure their Boat Licence, Radio Licence, Sailing Instructor Ticket, First Aid Certificate and many other accreditations that help us improve our sport.
